Sample Bill of Sale For Litter Registration

Puppy Birth Date
Month/Day/Year

Registration Number _____

Puppies will be given a limited registration, which means you will not be able to get AKC certification for breeding. The limited registration will be **lifted** when you have received the necessary **acceptable** health clearances. OFA Good or Better or Penn Hipp Certification of 80% or Better. It is recommended that you also do Optigen for for PRA and Narcolepsy (NARC) , and Test for Exercise Induced Collapse (EIC).

Initial _____

Puppy Price	
Deposit Paid	
Total Due at pick-up	

- Puppies have had first shots . Shots given on ___1___ 5 in one ~
- Dogs will pass OFA Hip Certification tested after year 2 and prior to age 3.
- Dogs will be free of Cataracts prior to age 5.

It is required that you take your puppy to it's new vet within the first 3 weeks to assure its current health condition. If you spay or neuter your puppy prior to age 1 then all health guarantees are void.

If the dogs hips don't pass OFA certification by age 3 or has cataracts prior to age 5 you are entitled to a refund of your purchase price less your deposit or a new puppy from a future litter of a similar breeding. This **Guarantee is void if failure of the hips and eyes are do to an accident which may have accelerated the process or if your puppy has been spayed or neutered prior to year 1.** If seeking a refund I will need copies of the reports showing failure of said tests. **If you are unable to care for your dog at some point in the future the dog is to be returned to Hatszel Kennels.**
